Swim School Mission Statement

Enable every swimmer the opportunity to learn an invaluable lifetime skill, to provide a positive learning environment and develop quality aquatic programs.

Ask how your family or business can become a sponsor.

Bubbles to Butterfly Swim School is making a **BIG SPLASH!**

You can help **TILE** the pool by becoming a **CHARTER MEMBER** today

About Our Facility

We are looking forward to finally breaking ground on our very own swim school facility!

In the past ten years our program has grown substantially, and we have utilized several different locations. Our goal has always been to have our own indoor facility. With your help, we would like to be in our new facility in 2008!

There are also opportunities for **Corporate Sponsorship**. Please contact Swim School for more information: **860.822.6879**

How You Can Help

By contributing today, you can help **Bubbles to Butterfly Swim School**, ¹⁹⁹⁸ build our new pool while also saving money on future programs for your family. The memberships will include any "future additions" to your family. Charter Memberships will only be offered through September 2007!

We welcome any contribution amount, and **all** donors will be recognized and displayed in our facility.

Wall Tiles:

Your family will have a permanent place in Swim School. Included with each Charter Membership, you will receive a 6" x 6" wall tile that your family will be able to decorate. These tiles will be installed and displayed throughout the inside of the new building.

Charter Membership Program

(All figures are based on, but not limited to, 2 children per family. All figures based on 2007 pricing - actual saving will be more.)
